

The Lemington Riverside Experience

2022/2023

At Lemington Riverside Primary School we want all of our children to experience the full cultural offer of the North East. We want our children to visit our amazing cities, coastline and countryside. We also don't want to put unnecessary extra financial pressures, which is why we work hard to secure funding so that all of our children can experience all of the amazing experiences below, at no cost to our families.

We are Lemington Riverside and this is our unique and wonderful experience offer for your child...
