Car Seats - Please be aware of current legislation

Using a child car seat or booster seat

Children must normally use a child car seat until they're 12 years old or 135 centimetres tall, whichever comes first.

Children over 12 or more than 135cm tall **must wear a seat belt**.

You can choose a child car seat based on your child's height or weight.

When a child can travel without a car seat

A child aged 3 or older can travel in a back seat without a child car seat and without a seat belt if the vehicle doesn't have one.

In most cases, children under 3 must always be in a child car seat.

The rules are different if:

- the child is in a taxi or minicab
- the child is in a minibus, coach or van
- the child is on an unexpected journey, for example an emergency
- there's no room for another car seat

As lunches are ordered by the school cook in advance children should not change between school lunch and packed lunch from day to day.
