

Lemington Riverside Governor Profile

Mrs J E Fisher

Vice-Chair of Governors

I am a retired secondary school Chemistry teacher, (after a period working in industry). I live in Newcastle and am interested in sport, music, travel and gardening.

I am a member of the Curriculum and Standards Committee, as well as the Personnel Committee, and I am the normal minute-taker for both. I am also on the Head Teacher's Performance Management and Pay Review body.

My background in science and mathematics helps me to understand curriculum work in those areas and to make sense of the data the governors have to deal with.

I was invited to become a L.E.A. governor several years ago when a vacancy needed to be filled.

Lemington is a small school so people know each other. This helps. There are good links with the community and being part of the OWL Trust provides strength and support. I hope to see the school continue to aim to inspire all our pupils to achieve their potential.
