

# Year 1 Homework Menu

You must select items from our homework menu to complete. Each quality piece of homework is worth 5 house points, so please feel free to complete as many as you like

**Build it** - This half term we are investigating our local area. Can you design and build a 3D model of our school building?

**Draw it**- Using a range of painting techniques and brush strokes can you paint your favourite animal. You could use thick or thin brush strokes, curved or straight lines. You could even use a sponge effect!

**Research it** – This half term we are learning about animals. Can you research and identify some animals that are carnivores, some that are herbivores and some that are omnivores? You can draw or list your findings.

**Create it**- This half term we are looking at seasonal weather changes. Can you create a weather map for the United Kingdom in Spring, Summer, Autumn and Winter? What weather symbols would you use in each season?

**Please complete your homework challenges no later than Monday 10<sup>th</sup> February 2020 so that we can share them with you at our open morning.**
