# Anti-Bullying Policy

## Introduction

Lemington Riverside Primary School recognises that there is a need to safeguard the welfare of all those within the school community and to encourage a culture of co-operation, acceptance and harmony both within and outside of school.

*Maintained schools have a statutory duty to promote children and young people's wellbeing and statutory responsibilities to provide a curriculum that is broadly based, balanced and meets the needs of all pupils. Under section 78 of the Education Act 2002 and the Academies Act 2010 such a curriculum must: promote the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, and prepare pupils at the school for the opportunities, responsibilities and experiences of later life.*

We are committed to providing a caring, friendly and safe environment for all pupils so they can learn in a relaxed and secure atmosphere. We have high expectations for all pupils, staff and parents and strive to create a school community in which all children can fulfil their potential. We will always celebrate diversity and promote cohesion within our community.

Bullying of any kind is unacceptable at Lemington Riverside Primary School. If bullying does occur, all incidents will be dealt with promptly and effectively. The school actively implements its anti-bullying policy and has clear pathways for reporting, which are known to all members of the school community. If a crime has been committed during the bullying incident, police will be involved as appropriate. All reported incidents will be actioned by our Anti-Bullying coordinator Mrs. Richardson.

## Bullying outside school premises:

*Teachers have the power to discipline pupils for misbehaving outside the school premises "to such an extent as is reasonable". This can relate to any bullying incidents occurring anywhere off the school premises, such as on school or public transport, outside the local shops, or in a town or village centre.*

*Where bullying outside school is reported to school staff, it should be investigated and acted on. The head teacher should also consider whether it is appropriate to notify the police or anti-social behavior coordinator in their local authority, of the action taken against a pupil. If the misbehavior could be criminal or poses a serious threat to a member of the public, the police should always be informed.*

*Department of Education October 2014: 'Preventing and tackling bullying' – Advice for head teachers, staff and governing bodies.*

**This policy reflects the following guidance:**

Department of Education October 2014: 'Preventing and tackling bullying' – Advice for head teachers, staff and governing bodies.

### **What is Bullying?**

Bullying can be physical, emotional and online and it can take many forms. Immediate physical safety and stopping violence are a priority; however, bullying can also occur because of prejudice against particular groups.

*'Bullying is behavior by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally.'* DfE definition

*'Bullying is the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power.'* Anti-Bullying Alliance

It takes many forms and can include

- Physical assault
- Teasing
- Making threats
- Name calling
- Cyberbullying – bullying via mobile phone or online (e.g. email, social networks and instant messenger)

### **The Equalities Act 2010**

The Equalities Act aims to offer protection from Hate Crime in the form of discrimination, harassment and targetisation (links to Prevent strategy)

[https://www.gov.uk/government/uploads/system/uploads/attachment\\_data/file/315587/Equality\\_Act\\_Advice\\_Final.pdf](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/315587/Equality_Act_Advice_Final.pdf)

This covers 9 areas, of which 7 are pertinent to Children and Young People.

- *Disability*

Some of the reasons pupils may be bullied link to the above areas covered by the Equalities Act 2010 and are as follows:

- Race, religion or culture

*(Definition: images or videos generated by children under the age of 18, or of children under the age of 18, that are of a sexual nature or are indecent. DfES. See full guidance document ‘**Sexting in schools: advice and support around self-generated images. What to do and how to handle it**’ <http://www.naace.co.uk/essafety/sexting> There are two parts to this guidance and ideally they should be read together. The guidance has been designed and developed to enable schools to act swiftly in the case of an incident (Part 1\_ and to be able to access background information and support (Part 2).*

### **What we will do as a school:**

- Ensure the whole school community has an understanding of bullying and its consequences
- Appoint a designated member of staff as anti-bullying officer
- Appoint an Anti-bullying Governor
- Ensure that there are clear and consistent pathways for reporting incidents of bullying which are known to all members of the school community. (See appendix , flowcharts A and B)
- Develop a preventative approach to bullying. Students will be encouraged to recognize that not only do they have rights; the choices they make bring responsibilities.
- Implement a consistent system for recording incidents of bullying in line with current DfE and OFSTED guidelines

- Review the anti-bullying policy annually in consultation with the whole school community to raise awareness of procedures
- Identify and make safe (using student voice) areas in school where bullying could / has been known to occur
- Be aware of factors which may cause some children to be more vulnerable than others

**Foster a clear understanding that bullying, in any form, is not acceptable. This will be done by:**

- ✓ *Developing a child friendly policy*
- ✓ *Developing an adult friendly policy*
- ✓ *Regular praise of positive and supportive behaviour of students, by all staff*
- ✓ *Work in school which develops empathy and emotional intelligence*
- ✓ *Any incidents being treated seriously and dealt with immediately. Support for both parties/sanctions where applicable.*
- ✓ *Ensuring if a child is found to be the target of bullying outside school, then help and support will be offered and advice given on how to avoid further incidents in future. The target's and perpetrators' parents will be informed as per DfE Guidance.*
- ✓ *Work in partnership with the police should there be bullying incidents where a crime has been committed.*

**How we will work with targets of bullying:**

- Ensure that there are clear pathways for reporting bullying including confidential methods.
- Ensure that targets are listened to
- Ensure that strategies are put in place to support individual needs
- Ensure targets are consulted, and kept involved and informed

**How we will work with those accused of bullying:**

- Ensure that perpetrators are listened to
- Ensure that strategies are put in place to support individual needs
- Ensure perpetrators are consulted, and kept involved and informed
- Implement appropriate sanctions and learning programmes for example:
  - ✓ *Counselling / instruction in alternative ways of behaving*
  - ✓ *Adult mediation between the perpetrator and the target **(provided this is safe for the target)***
  - ✓ *Rewards/positive reinforcement for young people in order to promote change and bring acceptable behaviour under control*
  - ✓ *Fixed periods of exclusion*
  - ✓ *Permanent exclusion (in extreme cases which may involve violence)*

**How we will work with bystanders/upstanders:**

- Ensure that they are listened to
- Ensure that strategies are put in place to support individual needs
- Implement appropriate learning programmes and awareness raising about the impact of bystanders. Introducing the concept of being an 'upstander' rather than a bystander empowering CYP to take appropriate action

***See Appendix – Ten ways to be an Upstander***

**Strategies we use for a preventative approach:**

- ✓ Teaching through the curriculum
- ✓ Assemblies
- ✓ Peer mentoring
- ✓ Anti-Bullying Ambassadors
- ✓ Circle Time
- ✓ Support from external agencies
- ✓ Participation in National Anti-Bullying Week / National Empathy Day

**How we will educate the school community:**

- Emphasise through all aspects of the whole school ethos and curriculum that bullying will not be tolerated
- Ensure that the anti-bullying officer and governor attend appropriate training and development
- Provide training opportunities for the whole school staff body
- Ensure that students learn to recognise, respect and value the differences between groups of people within the school community (Social, Moral, Spiritual and Cultural education via the curriculum and links to British Values / Cultural capital)
- Take part in Anti-Bullying Alliance All Together Now Programme with regular assemblies, surveys and activities to fulfil the criteria

**How will we work with parents and carers:**

By ensuring that:

- There are clear pathways for parents/ carers to report incidents of bullying, including who to report concerns to
- Every opportunity is given to parents/ carers to share their concerns
- Where a parent/ carer is dissatisfied with the school's handling of a situation, then the Headteacher will seek to resolve the situation informally. In the event of a formal complaint, then the school's agreed complaints procedure will be invoked. (See Appendix – Pathways of Help parents/ carers).
- If after following the schools formal complaints procedure, the parent/ carer is still dissatisfied, the Local Authority complaints procedure for handling school complaints can be addressed here:  
<https://www.newcastle.gov.uk/education-and-learning/problems-at-school/bullying#>

**How we will support staff:**

- We will ensure appropriate agencies who can support staff are available on notice boards in the staff room
- Human Resources and Union Representatives
- Cyberbullying of staff within the school community references:
