## JULY 2019 WRITTEN FEEDBACK

"Any concerns I raise are always dealt with very well. This was not always the case."

"In the past I felt like there was nothing done about bullying. However, I now feel like when I approach the school over an issue it is dealt with immediately."

"I feel that the behaviour of the children is improving."

"For the past 6 months the school has massively improved. It's fantastic now!"

"The new Head Teacher is what the school needed – my kids love him and all of the staff!"

"What a difference a new Head Teacher makes. New ideas, more communication and happier pupils!"

"Although my child has his struggles, he has come on loads at LRPS, and is usually excited about the subjects and full of knowledge when he comes home!"

"I have seen my kids come on so much since we moved to LRPS!"

"My daughter loves coming to school!"

**Head Teacher Analysis** – It is very pleasing to see the improved percentage ratings for the school since January 2019. We must now focus in on the areas where parents have stated there is still work to be do – namely homework and how we communicate about children's progress.

What is most pleasing about the survey is the huge increase in the % of parents who would recommend our school to other parents!
