Supporting homeless people
in Newcastle since 1985

**“ We don't see through
each other, we see
each other through ”**

Dear Children

I am writing to thank parents and children at Lemington Riverside Primary School for sending all the food that you collected at your Harvest Festival to The People's Kitchen. We are delighted at how generously the children in your school support us. In August our food supplies were running low, but, thanks to your help, our store rooms are filling up again.

All the food that you give us is used to prepare meals for poor and homeless people who might otherwise go hungry. Because of your generosity, they will be able to look forward to regular hot meals over the winter.

When you go home, please will you thank your family and, indeed, anyone who has given you support. You should be proud that you have been able to help so many needy people.

Yours sincerely

Robert Eldridge
Chairman of the Trustees

Founder (1985): Alison Kay
Chairman of Trustees: Robert J. Eldridge
Treasurer: Doug S. Kinsey
