

## **Lemington Riverside Governor Profile**

**Revd. Neil Heslop**

**Governor (Co-opted)**

I am Fr. Neil Heslop and I am the Parish Priest of Holy Saviour Church Sugley. I am a Co-opted Governor and a member of the Finance, Premises and Resources Committee.

My background is in Science and prior to being a Church of England Vicar I worked as a Clinical Pharmacist in the NHS and Senior Lecturer at a local University.

I am a School Governor as part of my commitment to our local community and to show my support for the children and young people of Lemington.

Lemington Riverside is a wonderful school, and we are really proud of what the children achieve here. Moving forward I would love to see the school's positive reputation developed in the wider community so that parents continue to want to send their children here as their first choice. I want children to be so happy, engaged and inspired here that they never want to miss a day of school. I want our results to be amongst the best in this City and I want us to support a dedicated teaching and support staff who deliver a curriculum to the highest standards, personalised to the school and the community with clear skills progression for every child.
