

# Year 4 Homework Menu

You must select items from our homework menu to complete. Each quality piece of homework is worth 5 house points, so please feel free to complete as many as you like!

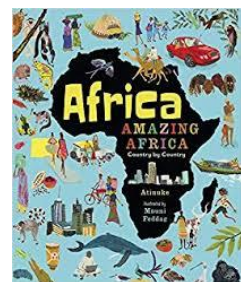

**Present it** – Can you make something that will help people to remember times tables facts? Will it be a bookmark / poster / picture / game?

**Draw it-** If you could travel anywhere at all, where would you go and how would you get there? Draw a map and label it clearly. Or draw your transport- would it be a new invention or something that already exists?

**Research it** – What can you find out about Africa and the places that Tom visits in The Boy who Biked the World? How will you present what you find out?

**Create it-** Can you make a form of transport that you could use to travel the world? It can be anything at all, made of anything at all.

Please complete your homework challenges no later than Monday 10<sup>th</sup> February 2020 so that we can share them with you at our open morning.
