

## Lemington Riverside Primary Eco Council

Date of Meeting     9.2.16

<u>Item discussed</u>	<u>Action to be taken and by whom</u>
Finalise plans for visit of Andrea Wright from Making Winter Warmer this week.	Callum and Libby will welcome her into school and do introduction in assembly. All other Eco council members will stand at front and show what we have collected and will then help her to load our donations to take away. Lexi and James P will thank her on behalf of Eco Council and rest of school.

<u>Item discussed</u>	<u>Action to be taken and by whom</u>
Can all classes make little cards or messages for street friends to show we are thinking of them? Suggested by Andrea Wright.	Members will ask their classes after lunch and see how many we can collect to donate.
