From online lessons, assembly's etc on facebook, and paula calling to check in, we have felt well supported during the lockdown. You are all so dedicated & have been brilliant. Well done. View respondent's answers Add tags 🔻 5/14/2020 4:58 PM Fantastic communication over the lockdown period and online Facebook lessons helpful. It's good that they can be picked up any time of day rather than live Zoom/Teams lessons as I can sit with the kids and encourage them to do them around my work View respondent's answers Add tags 🔻 5/13/2020 5:39 PM I was updated all the time, brilliant online learning and I got a call from teachers asking about my children checking up if we needed help or any support was very thoughtful, James was over the moon he could still chat in private to his teacher and talk about his feelings this help him alot. 5/12/2020 7:51 PM View respondent's answers Add tags 🔻 I don't think anything could of been done better, the school has always kept us informed and provided help whenever needed, the phone calls every couple of weeks and the online videos have been very reassuring for both me and Thomas we are both very proud of the school. To be perfectly honest I trust Mr Heeley 100 percent with my child and know any decision he makes he would put the safety of the children first always, but i personally don't get how a government can not allow Lilli to see her siblings but yet wants to put her in a classroom filled with other children, I really don't want her any more upset or confused as she could end up coming back then another lockdown could happen.

Done brilliant at keeping us up todate, Facebook pages for classes have been lovely Hopes really enjoyed seeing Mrs Corr
