

School Council Meeting 12th January 2018

- Ideas for coming term- work with eco council and council to improve the streets next to school. We will contact Councillor Cook for help.
- What can we do for The Great North Festival? Share ideas in upcoming meetings
- Ideas for House-points rewards- will invite house captains and vice captains to a meeting to discuss with us.
- Support a charity- children voted to support an animal charity, then voted to fundraise for Brysons. Hopefully the School council members can go and visit the shelter to kickstart our fundraising.
