

Personal, Social and Emotional Development:

We will be getting ready to move into Year 1. We will meet our new teach and classroom, talking about the changes that will happen and what we can do to help us in a new class.

Understanding the world:

We will be looking at real Kings and Queens, past and present, to compare what they wore and where they live

We will be using this information to help us know the different between 'past' and 'present'.

Physical Development:

We will be focusing on our fine motor skills and letter formation. We will continue to use Squiggle While you Wiggle to help us write letters correctly.

We will continue to do our Daily Mile and stretches to help us keep fit!

Expressive Arts and Design:

We will be making magic potions to make a magic spell!

Once our potions have been made, we will be telling our group how we made them, what we used and what the magic potion will do!

Reception:

Fantasy and Magic

Maths:

We will be focusing on:

- Patterns and relationships in numbers,
- Spatial awareness,

During this term, we will be consolidating our key skills ready for our transition to Year 1!

Literacy:

We will be focusing on these stories of the week linking to Fantasy and Magic:

The Princess and the Wizard,

Titchy Witch,

Charlie Cook's Favourite Book.

We will be looking at the characters and settings in the story then creating our own stories!

Communication and Language:

We will be extending our vocabulary linking to our topic. Our key vocabulary is:

Castle, moat, tower, magic, potion, changing state.

We will also be offering explanations as to what is happening in the story, sing this vocabulary. We will be describing the scenes and characters in the stories.
