

Year 4/5 Homework Menu

You must select items from our homework menu to complete. Each quality piece of homework is worth 5 house points, so please feel free to complete as many as you like!

Present it - In science, we are learning about how animals are adapted to live in their environment and dangers they face in their environment. Choose an animal and produce a PowerPoint presentation (or a large poster) highlighting how it is adapted to its habitat.

Draw it- In geography, we are learning about rivers. Draw and paint a river scene or setting of your choice.

Research it – In history, we are learning about Ancient Greece. Can you research the Greek Gods and their significance then create a fact file presenting your evidence with images of each Greek God?

Create it- Can you create a model of the Parthenon (Acropolis) Greek temple?

Please complete your homework challenges no later than Monday 10th February 2020 so that we can share them with you at our open morning.
