Dear Lemington Riverside Primary School

A big well done for your fantastic efforts in **The Big Pedal 2015**. Please find enclosed your certificate of participation. Thank you for being involved in our **biggest and best** competition yet!

The results have been checked and the **final positions** are now on the website. This year, more than **1,300** participating schools **beat The Big Pedal record** by making **1,419,103** journeys by bike or scooter.

If you raised funds during the **Superhero Day** then don't forget to send in your donations by 17 April for your chance to win an assortment of **25 fantastic cycle helmets** kindly donated by **Raskullz and Krash**.

We hope you'll join us again in the spring next year – we'll let you know in the autumn term when you can sign up.

In the meantime, here are some great ways to keep the Big Pedal buzz going:

- **Sustrans' Big Shift** – a free online challenge designed to motivate your school community to travel more actively. Take part either as a whole school, individual class or in year groups. The challenge includes walking, scooting and cycling and is available all year round.
www.sustrans.org.uk/bigshift
- **Sustrans' Superheroes** – an award scheme recognising pupils' skills and achievements in walking, scooting and cycling. Aimed at 7- to 11-year-olds, pupils gain points for activities they complete to become either a Sustrans Hero or Superhero.

See you at the start line in 2016!

Best wishes,

The Big Pedal Team

THE BIG PEDAL

2015

2nd to 20th March

CONGRATULATIONS!

Lemington Riverside Primary School

for completing **1,207** journeys as part of The Big Pedal 2015.

You were one of 1,335 schools across the UK who made
1,419,109 total journeys by bike and scooter.

Keep pedalling and scooting – see you at the start line next year!
