### KS1 Newsletter #7

#### Year 1

This week in Year 1, we have started to read a new book called Grandad's Secret Giant. We have practised using our prediction, inference and comprehension skills. In maths, we have focused on comparing and ordering numbers from 0 all the way to 20! Our afternoons have been filled with making robots, learning about weather, music and computing!

#### Year 2

In Year 2, we have been looking at a short form, Lune et L'autre within our English lessons and have been looking at different sentence types. In maths, we have been working on dividing by 2, 5 and 10 as well as identifying odd and even numbers. In the afternoons, we have been creating digital art, inspired by the artist Piet Mondrian.
