### KS1 Newsletter #6

# FEBRUARY HALF TERM

## Year 1

This week in Year 1, we have been learning all about imperative verbs. We have used these to write a set of instructions telling Bunting Bear how to play hide and seek. In maths, we have been learning about tens and ones, counting one more and counting one less. We have worked so hard on this and I am so pleased with how well the children have done! Our afternoons have been filled with making our own toys, learning about safer internet day, music and computing! Today we have learned all about Chinese New Year. I hope you all have a restful week off for half term and come back ready for some more fun on Seesaw!

## Year 2

In Year 2 this week, we have continued looking at grouping and sharing in maths, using both the multiplication and division symbols. In English, we have been converting between the simple past and simple present tense along with thinking about the way a character is feeling. We even used an online thesaurus to improve our vocabulary choices! We have spent our afternoons looking at Chinese New Year; creating lanterns, reading about the story behind Chinese New Year, discovering our own animal based on our date of birth and even wrote our names using the Chinese alphabet! Well done, Year 2 – another super week!

KS1, you have been amazing over this very strange half term. Have a wonderful rest, be kind to everyone at home and help your grown-ups around the house. We can't wait to see you back on Seesaw on Monday 22<sup>nd</sup> February.

Keep well, stay safe and thank you for your continued support,

Ms Turner, Miss Harland and Miss Ribaudo
