Subject: Sponsoring Mario

Dear Nicola & children

Hi there, it's Mario here!

I have some very sad news, our lovely Suggs has died peacefully, he'd poorly this year but always rallied, but unfortunately he was too poorly this time & the vet Helen decided with Tracy that the best thing for Suggs was to put him to sleep, one of his best friends Sandra was with him. Suggs was 15yrs old & had been at the shelter for 6yrs years, we will all miss him.

I'm Mario & I've been at the shelter for a while now & no one seems to want to give me a forever home so they felt I could become one of the special gang of sponsored animals we have at the shelter, & I thought you would like to sponsor me in place of our lovely Suggs, I hope that's ok with you.

Its down to people like you that animals like me will always have a home at the shelter. Come up to the shelter some time it would be lovely to meet you, but don't forget I love treats.

Kind regards

*Mario xxx*
