

PE Funding Impact - September 2016 - July 2017

Carol Marshall

Carol has been employed on a fortnightly basis and worked with each teacher in Reception and Key stage 1 and 2. Carol used her skills and expertise to produce a lesson plan and carried out the lesson with the class. The next week the teacher repeated or modified the lesson to suit their needs. As a result of Carol teachers feel more confident and have gained more resources and confidence to teach PE.

Clubs

Dodgeball afterschool club in autumn term for key stage 2 with the aim to enter an owl trust competition.

Dance

To encourage and increase the amount of exercise provided in school a dance after school club has taken place by a dance teacher on a Tuesday night and pupils celebrated and participated in a dance festival at Newcastle City Hall. Funded by PE fund.

Competition/encouraging healthy lifestyles

Year 2 have attended a healthy lifestyle event with other schools with the aim of developing confidence and healthy competition. This involved using hula hoops to engage children who are not normally physically active.

Transport was provided using PE fund
