At Lemington Riverside we frequently **photograph or film** children to record and enhance their enjoyment of the curriculum. Please read the following advice:

“Parents, carers and relatives of pupils should note that any photography or video film they take at school events is likely to contain images of other children whose parents will not have given permission for them to be filmed or photographed. Such images should not be circulated more widely than the family (such as on social media), i.e. they should just be for the family’s use. Our advice is that any manipulation or distribution of images of children could result in prosecution.”

<input type="checkbox"/>	Secure Use of Images - I am happy for photos of my child to be taken/used in school and in secure online areas (only viewed by the school or parents) (e.g. Tapestry).
<input type="checkbox"/>	Public Use of Images (without pupils’ names – unless I give consent otherwise) - I am happy for photos of my child to be taken/used on the school website, social media (Facebook/Twitter/Instagram) and prospectus

We will consult you before photographs of your child are used in the media or by other schools. **Please notify the office of any changes to these arrangements.**
